A jury at the Old Bailey unanimously found Ronnie Kray guilty of the murder of George Cornell, and Reggie Kray was found guilty of the murder of Jack The Hat' McVitie. They were given life sentences with a tariff

Nice? Leftie mob only do hatred

IN the ongoing aftermath of the murder of Tory MP Sir David Amess, the Labour politician Chris Bryant had a good idea.

Chris Bryant had a good idea.
What about, he tweeted, sending a genuinely nice message to someone you politically oppose?
The resulting pile-on took just seconds to begin.
And from what I could make out, all of it from his own "side".
Well, SOME of his own side.
Loads of them demanding he apologise to their god, Jeremy Corbyn, for not supporting him enough when he was their party leader.
Scores more demanding he lick the shoes of Diane Abbott, John McDonnell, all union bosses and every single citizen of the Palestinian state.
And that wasn't even the start, or anywhere near the end, of it.
There was no way these twatters were going to say anything nice to anyone because, in their eyes, their opponents are nothing but pure evil.
The bile dripping from their fingertips must have burned like acid on their phones and laptop keyboards.

### **Nutcase**

But look, we can all love who or what we want and equally dislike whatever and whoever, too.

Banging on about it on a social media platform, however, isn't going to change anyone's mind.

True, I'm as guilty of it as the next man or woman. Most of us are.

But when a madman goes marching into an MP's constituency surgery and stabs the politician to death in a frenzy, then surely – SURELY – it is time to take stock.

Comparisons have rightly been made to the attack that killed Labour MP Jo Cox in 2016.

That time it was a right-wing nutcase hellbent on causing the death of a left-wing politician.

We won't know the full details of how last weekend's tragedy came about for some time, but the fact is that Sir David was a politician going about his business just as Jo Cox was five years ago.

This is no way to live, for anyone.

We can't go about calling people "scum", for instance, just because they happen to take a different approach on life to you.

Politics is what happens when sanity rises and reigns above barbarity and physical conflict.

It's about debate, and reason, and

MURDERED: Sir David Amess (above) 'NICE' MESSAGE: MP Chris Bryant

compromise.

Not screaming in someone's face that they MUST agree with you or

Not screaming in someone's face that they MUST agree with you or face the consequences.

It wasn't a million years ago that a man much vaunted in some quarters boasted that he was the start of a "kinder, gentler" politics.

Yet a vocal section of Jeremy Corbyn's followers are quite rabidly and openly the opposite of that.

Equally, the far right still maintains its fair share of knuckle-dragging racists that the world could similarly do without.

No-one – and I mean no-one – will ever be persuaded to vote for someone with a gun being held at their head.

The so-called art of politics is the art of persuasion and once people are alone inside a polling booth, they will rightly tick the box for whoever the hell they like.

So after Sir David's awful death, Chris Bryant had a point: Be a bit nicer.

Because being an arsehole hasn't

nicer.

Because being an arsehole hasn't got any of us anywhere.

### Squaddie on a mission to get cat back

A FORMER soldier admitted he infiltrated an animal shelter in full combat gear and threatened a woman with a fake assault rifle in a bid to find his CAT.

Tony Wittman, 45 (above), pleaded guilty to charges, including false imprisonment, after he broke into the Lost Dogs' Home near Melbourne,
Australia, in January.

Under the cover of dark and in camouflage, he forced a 23-year-old worker to her knees and tied her hands behind her back.

"If you do as I say, and listen to me, I won't shoot you," he told her.

He then made the terrified worker count to 100 as he left the shelter without his cat.

Wittman called the shelter earlier that day and was told they couldn't locate his cat and that he should visit the next morning to retrieve it.

But he didn't wait, and hours later he cut

### School wokies ban Halloween

A PRIMARY school has cancelled its upcoming Halloween parade and will be banning students from dressing in costumes on October 31, saying that it "marginalises" students

of colour.
Officials at the Benjamin
Franklin Day Elementary
School in Seattle have discussed axeing the annual Pumpkin Parade for five years, but first notified parents about the unilateral decision to cancel it in a newsletter.

'As a school with foundational beliefs around equity for our students and families, we are moving away from our traditional Pumpkin Parade event and requesting that students do not come to school in costumes," a newsletter confirmed.

The school added a number of students of colour opt out of the event each year and feel excluded as they don't celebrate Halloween.

### Dear Sam,

I'M a 35-year-old big-boobed bored housewife and the other week my cat got stuck in a tree.

Poor Tabby had been up there for hours before I called out the fire brigade. Although they got him down, the chief gave me a mouthful, saying they had better things to do.

One of the younger firemen saw I was upset and he came to my house after his shift to apologise.

He then cheekily asked if I wanted to see his hose. I said yes and he whinged out an eight inch movement which I then proceeded to

### Dear Sam,

ALTHOUGH I'm 25 and have been going with my fella for a year, I still have these strange longings about having sex with

another woman.

When I'm on my own I often take off all my clothes and stretch out on the bed and start to caress my boobs.

Then I slowly move my right hand down my belly and reach between my legs and start to finger my clit and pussy lips. As I get wetter and wetter down there I think about other women – think about what it would be like to suck on a woman's clit, what it would be like to suck on a juices, what it would be like to have a woman finger-f\*\*k me. After a short while of masturbating while thinking these thoughts, I come with explosive passion.

Do these erotic thoughts mean I'm turning lesbo?

Sam savs... NOT at all, it means you're very sexy. Try it with a woman, you might like it.

### I can't get enough of his monster trouser snake

### Dear Sam,

I MUST be the luckiest girl around – my boyfriend's cock is 10 inches when fully erect and is as thick as my wrist.

I know some women would worry about taking such a monster, but I have no problem at all.

It feels like we were made for each other, as I'm just that bit narrower than his dick and it's really tight when he eases it in.

Last week I sucked him off

Last week I sucked him off for ages – I teased his purple tip with my tongue and licked up and down his shaft as he moaned with pleasure.

Then he flipped me over and took me doggy-style.

I love it when we do it this way as he slips in his dick,

then fingers me until I have a shuddering orgasm.

But with such a big cock, we keep splitting condoms and I'm reluctant to use another method of contraception.

Any suggestions?

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smalle\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in

The former Bournemouth boss is thought to be on a shortlist of four to succeed Steve Bruce.

It looks as though the current Toon boss will be leaving the club sooner rather than later after their dismal home defeat against Tottenham.

Howe has been out of work since he left the Cherries last summer.

It looked as though he would take over at Celtic before the start of the season but he milled out of talks at season but he pulled out of talks at

That earned him the Roma job in Italy where he led them to fifth in Serie A before leaving in May.
He was replaced by Jose Mourinho there and was close to joining Spurs over the summer.
Former Chelsea boss Frank Lampard is on the sheatlet 18.

rormer Cheisea boss Frank Lam-pard is on the shortlist. He lasted 18 months at Stamford Bridge before being shown the door. His reputation hasn't been helped by Thomas Tuchel winning the Champions League later in the same season as he brought back players Lampard had frozen out. Insiders

say the England legend would jump at the chance of bossing the Toon.
The final name being considered is Lucian Favre. He was in charge of French side Lille when Allan Saint-Maximin was at the club.
He later moved to Newcastle and there were rumours that the pair didn't get on.

Steven Gerrard is also a manager the Toon board like but they don't want to poach a coach from another team so soon after buying the club.

That's why all the names in the frame are currently out of work.
But Ian Wright thinks whoever takes over at St James's will only be a stopgap until they can get a much bigger name in.
He's convinced that Antonio Conte will soon end up in the Toon hotseat.
Wright said: "You need to appoint somebody for a project now. Some-

"I have even heard Lucien Favre,

"I have even heard Lucien Favre, whose name has been mentioned. I can see where they are going with a young, up and coming ambitious good manager, who was close to the Palace job.

"I think they are going to go pretty big with somebody. I am hearing Conte's name."

The Italian would fit the bill as he has a track-record of success and is currently without a club.

But it would be hard to attract him in the middle of a season and to a club that's mired in a relegation battle for good measure.

castle to sign big sponsorship deals like the one Manchester City have with Etihad airlines.

It could explain why most of the players linked with the Toon in Jan-uary are available for relatively modest transfer fees.

The likes of Alexandre Lacazette, Andre Onana, James Tarkowski, Ross Barkley, Nabil Fekir and Phillipe Coutinho may come up short in the eyes of fans when the club could technically afford anyone on the planet.
